

## **Ralphs Rewards Community Contribution Program**

Participation in the Ralphs Rewards Community Contribution Program is an easy way to support UCP. Once you are enrolled, UCP receives between 1% and 4% of your qualifying purchases, up to \$150 per individual Rewards Card per household per year.

Membership in the Community Contribution Program is limited to one year maximum. On August 31, 2009 all current enrollments expire, even if you enrolled only a few months ago.

**Starting September 1<sup>st</sup> all Ralphs Community Rewards Cards need to be re-registered** to continue participating in the Community Contribution Program. Just follow this easy step:

- Next time you go shopping at Ralphs hand this letter to the cashier to scan the bar code below with your order, in ADDITION to your Ralphs Rewards Card or phone number entry linked to your rewards card.

NPO #82011

You only have to scan this bar code once to create a link between your card and UCP. You must continue scanning your Ralphs Rewards Card/enter your phone number each time you check out to get credit for UCP.

- You can also re-register at [www.ralphs.com](http://www.ralphs.com) by signing on to your account.

Your purchases will begin counting for UCP within 72 hours of signing up your card.
